

## Carl J. Pellegrini

PARTNER

[cpellegrini@sughrue.com](mailto:cpellegrini@sughrue.com)

Washington, DC

202.663.7485

Carl specializes in all areas of patent law with an emphasis on patent litigation, counseling clients on intellectual property matters, preparing and prosecuting patents, and opinion work. Carl has experience litigating patent issues in various U.S. district courts and the International Trade Commission (ITC).

Carl has considerable experience writing and prosecuting patent applications in the electrical and mechanical arts, particularly with computer hardware, software, network, and telecommunications technologies. In his practice he also advises clients on establishing, building and maintaining U.S. and foreign patent portfolios, analyzing patent portfolios and licensing patents.
