

Jae Seok Ahn

PARTNER

jahn@sughrue.com

Washington, DC

202.663.7367

Jae Seok focuses his practice on the prosecution of patent applications in the electrical arts, and his experience covers a variety of technologies, including computer hardware and software, wireless local area networks, Audio/Video signal processing, telecommunication networks, home network middleware, image processing, digital media, digital rights management and user interface in mobile devices.

Prior to joining Sughrue Mion, Jae Seok was a partner with one of the largest IP law firms in Korea, where he prepared numerous patent validity opinions and gained wide-ranging experience in the prosecution of U.S. and non-U.S. patent applications with emphasis on wireless network standards such as Universal Plug and Play and IEEE 802.11n.
